VERSE 1
B E
Tested and tried for forty days
B E
Enticed to fashion bread from stone
B E
With power to call on Heaven's host
C#m B
You faced the wilderness alone

VERSE 2
You walked upon the desert sand
You climbed the mountain's highest dome
Forsaking every glory due
You faced the wilderness alone

CHORUS 1
E B
Near, the Father's near
E G#m F#
Ready with angels waiting to attend
E B
Love, it's always Love
G#m F# E
Love that leads us home in the end
G#m F# E
Love that leads us home in the end

VERSE 3
So when I'm weary from the fight
And when no compass leads me home
Somehow it helps to know that I'm
Not in this wilderness alone

CHORUS 2
Near, the Father's near
Ready with angels waiting to attend
Love it's always Love
Love that leads me home in the end
Love that leads me home in the end

BRIDGE
F#
Lift me up
G#m E B
Breathe Your life into mine
F#
In Your throne room
G#m E B
Where royalty dines

Kings and queens

Coronated through trials

Like a million butterflies

Make these dry bones rise
