VERSE 1

F

You are the One

Who is constant ever true

Dm

I hear You from afar, say

Bb

Step into the dark

F

But I believe

There's a promise shining through

Dm

Burning like a million stars

Bb

Calling out to my heart, I sing

BRIDGE

F

If the pouring rain comes down

To wash away my solid ground

Dm

You're a shelter safe and sound

Bb

I will follow

F

Even when I feel alone

And the way remains unknown

Dm

Only You can lead me home

Bb

I will follow

CHORUS

F

I will follow You

Dm

Leave all else behind

Bb

Leave all else behind

VERSE 2

When I am caught

In the middle of the storm

The tide is crashing in and

My courage is thin

My heart's ablaze

When I hear You say my name

Standing upon the waves

Calling me to be brave, I sing
