VERSE 1

G D
There's never been an eye that's seen
Bm A
Ear that's heard, mind that's fathomed

G D
The mystery of paradise
Bm A
Here on earth, Your coming kingdom

G
So give our faith wings
D
And make our hearts beat
Bm A
In stereo sync

PRE-CHORUS

G D/F# Bm A
Tear away the skies reveal Your hand
G D Bm
We're ready now to take the next step You
A
have planned

CHORUS

D G
Along with every galaxy You've made we sing
Your praise
D/F# A/E
The cosmos harmonises perfectly with
mystery
D G
We set aside our maps to tread the trail that
You have blazed
D/F# A/E
This wild expansive life You've called us to
Is more than we could dream

VERSE 2

You've always been the Cornerstone
Founding us in Your purpose
To leave a legacy of love
Where people seek
Your coming kingdom

So good for so long

Even when we stray

So true and so strong

GM7 Bm7 Asus
Eyes fixed, amazed

Your will always
