VERSE 1

E/B B
My eyes watch for herald angels
E/B B
My heart longs for news they bring
E/B B
Melodies emblazoned boldly
E/B B G#m
With news of our coming King
F# E/B B
With news of our King

VERSE 2

When storms gather on horizons
And when quaking breaks the ground
My soul sings "O Lord come quickly"
Come and part these darkened clouds
Come and part these clouds

CHORUS

E B
Unveil my eyes
F# G#m F#
Let me see beyond my own sight
E B F#
Where angels fly and fight for me
E B
Unveil my eyes
F#/A# G#m F#
And keep my focus ever on You
E B F#
And let me see the things You see

VERSE 3

You who bring the morning's mercies
Bring Your kingdom to my heart
Until You return in glory
Lift my eyes from ground to stars
Lift my eyes to stars

BRIDGE

G#m E B F#/A#
Echoes of heaven all around me
G#m E B F#/A#
Celestial armies claiming ground
G#m E B F#/A#
The war invisible compels me
G#m E B F#/A#
And makes me long for heaven's crown
